E INVITE INSTRUCTIONS

Respected Members/Directors/Auditors/Invitees,

We are conducting the Annual General Meeting through Audio-Visual (AV) means. All the members / invitees/participants will be attending this meeting virtually from their respective residence/home.

Accordingly, kindly note the **following instructions** for the smooth flow of the meeting.

- Please join the meeting at least **10 minutes in advance** to complete all testing and logistic issues.
- The participants are requested to attend the **meeting in official attire/outfit only**.
- At the **meeting**, please keep **your video on** so that we can **complete the roll call**.
- The Company Secretary will undertake roll call to seek a **confirmation on the presence of all the participants and receipt of requisite papers**. The participants may please confirm the same in affirmative.
- The Notice of the meeting will be uploaded/shared on the screen and the control of the screen will be with Mr. Rahul Vaidyanathan .
- All the participants shall be on **mute by default at the start of the meeting** and the respective participants/members **can unmute themselves at the time of presentation / speaking**.
- Every participant/presenter **shall identify himself/herself** at the **time of making presenting/speaking** on any item of agenda.
- To ensure smooth and orderly flow of the meeting, it is recommended that **all questions/comments** may be raised **after the completion** of particular agenda item.
- All the presenter are advised to strictly follow the **sequence of agenda presentation** and flow as indicated in the timesheet to ensure timely completion of the meeting.
- Please ensure the WIFI/Dongle/hotspot/Router etc. is up and **running with good speed** during the whole duration of the meeting to enable you to participate efficiently.
- In case of any loss of signal/drop out due to any technical glitch **please re-join and confirm your presence** at the earliest.
- In case of any eventuality at our end, Mr. Nikhil Tale (Contact: +918483859999) or Mr. Sunny Sobhani (+91 9320003358) will take control and run the meeting only for the technical matters.
- Please ensure that **no person other than the invited participants** should have access to this e-meeting.
- Please **do not forward this invite** to any other person. If any additional team members are to be invited, kindly inform Mr. Rahul Vaidyanathan and in his absence Mr. Nikhil Tale (Contact: +918483859999) or Sunny Sobhani (+91 9320003358) (IT Persons) who will send the invite.
- The meeting will be **recorded**.
- We encourage you to **download the Zoom App/ Microsoft team app** and **test the link in advance** before the start of the meeting. We recommend do not use / join through web-version because it may have voice and video quality issue.

INDEPENDENT AUDITORS' REPORT

To The Members of
GEM AROMATICS LIMITED
(formerly known as GEM AROMATICS PRIVATE LIMITED)

Report on the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of **GEM AROMATICS LIMITED** (formerly known as GEM AROMATICS PRIVATE LIMITED) ("the Company"), which comprise the Balance Sheet as at **March 31, 2024**, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flow for the year then ended, Statement of Changes in Equity, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

2. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Other Information

3. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the standalone and consolidated financial statements and our auditor's report thereon. The Director's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

HEAD OFFICE : 101 Hubtown Solaris, Near East West Flyover, N. S. Phadke Marg, Andheri (E), Mumbai 400069
022-61037878 • E mail: info@cndindia.com • www.cndindia.com

BRANCHES : • Ahmedabad • Delhi • Dombivli • Marine Lines

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Directors report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 "The Auditors Responsibilities Relating to Other Information".

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

4. The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

5. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

6. As required by section 143 (3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books except for the matter stated in the paragraph 6(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of changes in Equity dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. On the basis of written representations received from the directors as on March 31, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure I**".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- h. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 6(b) above on reporting under Section 143(3)(b) of the Act and paragraph 6(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
 - i. The Company has disclosed impact of pending litigations on its standalone financial position in its Financial Statements - Refer Note 38 to the standalone financial statement.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.

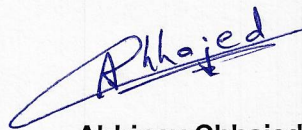

- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) In our opinion and based on the audit procedures, we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Company has neither declared nor paid any dividend during the year.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except at the database level to log any direct data changes to the accounting software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

7. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure II** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure I to the Independent Auditors' Report

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of **GEM AROMATICS LIMITED** (formerly known as GEM AROMATICS PRIVATE LIMITED) ("the Company"), as at 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

4. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

5. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

6. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Control over Financial Reporting issued by the ICAI.

**Annexure II to the Independent Auditors' Report
(Referred to in our report of even date)**

According to the information and explanations sought by us and given by the Company and the books of accounts and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a program for physical verification of its property, plant and equipment every year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and based on verification of records provided to us, we report that, the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company (other than properties where the Company is the lessee and the lease arrangements are duly executed in favour of the lessee).
- (d) The Company has not revalued its Property, Plant and Equipment including Right of Use assets or intangible assets during the year.
- (e) As per the information and explanation provided to us no proceedings have been initiated or are pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) In our opinion and according to the information and explanations given to us, the inventories, except goods-in-transit has been physically verified during the year by the management. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of Inventory were noticed.
- (b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements filed by the company with such banks and financial institutions are in agreement with the books of account of the Company except for the differences noted in Book Debts & Inventory amounting to Rs.82.38 (In millions) for the quarter ended June 2023 [amount reported Rs.1,950.16 (In millions) vs. amount as per audited books of account Rs. 2,032.54 (In millions)]; Rs.61.63 (In millions) for the quarter ended September 2023 [amount reported Rs. 2,242.84 (In millions) vs amount as per audited books of account Rs. 2304.47 (In millions)]; Rs. 199.86 (In millions) for the quarter ended December 2023 [amount reported Rs. 2,240.69 (In millions) vs. amount as per audited books of account Rs. 2,440.56 (In millions)].

- (iii) (a) The Company has not provided any security to Companies, firms, Limited Liability Partnerships or any other parties during the year. According to the information and explanations given to us and on the basis of our examination of the records, the Company has provided guarantee and granted loans to subsidiaries. The details of the same are given below:

(Amt. in INR million)

Particulars	Loan Amount	Guarantee Amount
Aggregate amount during the year		
- Subsidiaries	65.80	883.00
- Associates	-	-
- Others	-	-
Balance outstanding as at Balance Sheet date		
- Subsidiaries	190.66	883.00
- Associates	-	-
- Others	-	-

- (b) The Company has not provided any security during the year. Further, in our opinion, and according to the information and explanations given to us, the terms and conditions of the guarantee and grant of all loans are, prima facie, not prejudicial to the interest of the Company.
- (c) The schedule of repayment of principal and payment of interest has been stipulated and the repayments/receipts of principal and payment of interest are regular as per the terms of sanction.
- (d) There is no overdue amount in respect of loans granted to such companies or other parties.
- (e) There is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to same parties.
- (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 & 186 of the Companies Act, 2013 in respect of loans given and investments made and guarantees and security provide by it, as applicable.
- (v) The Company has not accepted deposits from public hence directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013, and the rules framed there under and hence reporting under clause (v) of the said Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148 of the Companies Act, 2013, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.

- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Goods & Services tax, Customs duty and other material statutory dues as applicable to the company, have generally been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us and on the basis of our examination of the records, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Goods & Services tax, Customs duty, Excise duty and other material statutory dues were in arrears as at 31st March, 2024 for a period of more than six months from the date they became payable.

- (b) According to the information and explanation given to us and the records of the Company, there have been no dues in respect of Sales Tax, Income Tax, Value Added Tax, Custom Duty, Excise Duty, Goods & Services tax and Service Tax etc. which have not been deposited on account of any dispute except following:

(Amt. in INR million)

Name of Statute	Nature of dues	Amount Rs.	Period to which it relates	Forum where dispute is pending
Customs Act, 1962	Customs Duty	1.38	AY 2008-09, AY 2010-11, AY 2012-13	Commissioner, Customs
		1.00	AY 2008-09 to AY 2012-13	Commissioner, Customs
		1.21	AY 2011-12 & AY 2013-14	Commissioner, Customs
		15.35	AY 2010-11 to AY 2015-16	Customs, Excise and Service Tax Appellate Tribunal
		281.73	AY 2010-11 to AY 2015-16	Customs, Excise and Service Tax Appellate Tribunal
		0.11	AY 2021-22	Commissioner, Customs
Income Tax Act, 1961	Income Tax	2.96	AY 2012-13	Commissioner of Income Tax (Appeals)
		17.21	AY 2013-14	Commissioner of Income Tax (Appeals)
		34.94	AY 2014-15	Commissioner of Income Tax (Appeals)
GST Law	Goods and Services Tax	32.79	AY 2019-20	Allahabad High Court
		2.32	AY 2020-21	Allahabad High Court
Trade Tax - Uttar Pradesh (Revenue Department)	Trade Tax	176.48	AY 1993-94 to 2007-08	Supreme Court

- (viii) According to information and explanations given to us and on the basis of examination of the records of the Company, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year.
- (ix) (a) The Company has not defaulted in repayment of loans or borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared as wilful defaulter by any bank or financial institution or other lender.
- (c) The Company has not taken any term loans during the year and there are no unutilized term loans at the beginning of the year and hence reporting under clause (ix)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the standalone financial statements of the Company, funds raised on short term basis have, prima facie, not been utilised during the year for long term purposes by the Company.
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partially or optionally) during the year and hence reporting under clause (x)(b) of Order is not applicable to the Company.
- (xi) (a) During the course of our examination of the books and records of the Company carried out in accordance with generally accepted auditing practices in India and according to the information and explanations given to us, no fraud on or by the Company has been noticed or reported during the year. We have not been informed of any such case by the management.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.
- (c) According to information and explanation given to us by the management, no whistle blower complains were received during the year by the Company.
- (xii) The company is not a Nidhi Company, thus reporting requirement under clause (xii) of the said Order is not applicable.

- (xiii) According to the information and explanations given to us and in our opinion, all the transactions with the related parties as defined under the Act are in compliance with provisions of sections 177 and 188 of Companies Act where applicable and the details have been disclosed in the Financial Statements, as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till the date of the audit report, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding or subsidiary companies or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under Clause 3(xvi) of the Order is not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year without a valid Certificate of Registration (CoR) from the RBI as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly, reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC, and therefore reporting under clause (xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year and accordingly reporting under clause (xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) (a) According to the information and explanations given to us, there are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects, requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act, and hence reporting under clause (xx)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, there are no unspent amounts towards Corporate Social Responsibility (CSR) on ongoing projects, requiring a transfer to a special account in compliance with provisions of sub-section (6) of Section 135 of the said Act, and hence reporting under clause (xx)(b) of the Order is not applicable to the Company.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(1) Corporate information

Gem Aromatics Limited (formerly known as Gem Aromatics Private Limited) is a Public Limited Company w.e.f. August 17, 2023, incorporated in India under the provisions of the erstwhile Companies Act 1956. The registered office of the company is situated in the state of Maharashtra. The Company manufactures essential oil based products and derivatives in India while specializing in products that are derived from mint, clove, eucalyptus and other essential oils which finds application across broad spectrum of end user industries. It carries on manufacturing operations at the plants located at Silvassa, Dadra & Nagar Haveli and Badaun, UP. The standalone financial statements of the company for the year ended March 31, 2024 were approved and authorized for issue by board of directors in their meeting held on July 31, 2024.

(2) Material accounting policies

(2.01) Basis of preparation

(a) The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the financial statements.

Basis of Measurement

(b) The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments). The financial statements are presented in Indian Rupees "INR Million" (Rupees Million) which is also the Company's functional currency. All values are rounded off to nearest two decimals, except when otherwise indicated.

(2.02) Significant accounting estimates, judgements and assumptions

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognized in the year in which the estimates are revised and in any future year affected.

In the process of applying the company's accounting policies, management has made the following judgements which have significant effect on the amounts Recognized in the financial statements:

a. Useful lives of property, plant and equipment and intangible assets : Determination of the estimated useful life of tangible assets and intangible assets and the assessment as to which components of the cost may be capitalized. Useful life of tangible assets is based on the life specified in Schedule II of the Companies Act, 2013 and also as per management estimate for certain category of assets. Assumption also need to be made, when company assesses, whether as asset may be capitalized and which components of the cost of the assets may be capitalized.

b. Contingencies : Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigation against company as it is not possible to predict the outcome of pending matters with accuracy.

c. Fair value measurements and valuation processes : Some of the Companies assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the company used market-observable data to the extent it is available. Where Level 1 inputs are not available, the company engaged third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements such as Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

d. Estimation of defined benefit plans : The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.

e. Operating lease commitments - Company as lessee : The company has entered into lease agreement for office premises. The company has determined based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the asset and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

f. Impairment of property, plant and equipment and intangible assets : At each balance sheet date the company assesses whether there is any indication of impairment of the carrying amount for each class of the property, plant and equipment, intangible assets and investments. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(2.03) Property, Plant and Equipment

All items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost includes its purchase price including non-refundable taxes and duties, directly attributable costs of bringing the asset to its present location and condition.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of profit and loss during the reporting period in which they are incurred.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in line with revisions to accounting estimates.

Depreciation

Depreciation on property, plant and equipment is provided on 'Written Down Value' (WDV) method, which is in line with the estimated useful life as specified in Schedule II of the Companies Act, 2013.

Depreciation commences when the assets are ready for their intended use. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing net disposal proceeds with carrying amount. These are included in the Statement of profit and loss.

The estimated useful lives are as follows :

Assets	Useful life (years)
Land (Freehold)	-
Building	30
Plant and Machinery	15
Furnitures and Fixtures	10
Electrical Installation	10
Lab Equipments	10
Vehicles	8 to 10
Factory/Office Equipment	5
Computers	3 to 6

(2.04) Intangible Assets

Intangible assets with finite useful life are stated at cost of acquisition, less accumulated depreciation/ amortisation and impairment loss, if any. Cost includes taxes, duties and other incidental expenses related to acquisition and other incidental expenses. Amortisation is recognised in profit or loss on a diminishing balance method over the estimated useful lives of respective intangible assets.

The estimated useful lives are as follows :

Assets	Useful life (years)
Computer Software	3 to 6

Intangible assets are amortised in profit or loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

(2.05) Impairment of property, plant and equipment and intangible assets

At each balance sheet date the company assesses whether there is any indication of impairment of the carrying amount for each class of the property, plant and equipment, intangible assets and investments. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(2.06) Current versus non-current classification

The company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

(2.07) Fair value measurement

The company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and liabilities maturing within one year from the balance sheet date and which are not carried at fair value, the carrying amount approximates fair value due to short term maturity of these instruments.

The company recognises the transfer between the levels of fair value hierarchy at the end of the reporting period during which the changes have occurred.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Quantitative disclosures of fair value measurement hierarchy (Note 34)
- Financial instruments (including those carried at amortised cost) (Note 34)

(2.08) Revenue

Revenue from contracts with customers is recognised on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation.

Sale of products :

Revenue from sale of products is recognised when the control of the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Rendering of services:

Revenue from services is recognised over time by measuring progress towards satisfaction of performance obligation for the services rendered.

Other income:

Revenue in respect of overdue interest, insurance claims, etc. is recognised to the extent the company is reasonably certain of its ultimate realisation.

Interest / Dividend income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive is established. Interest from customers on delayed payments are recognised when there is a certainty of realisation.

Export Incentive / Duty drawback :

Export incentives are recognised when there is reasonable assurance that the company will comply with the conditions and the incentive will be received.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(2.09) Inventories

Inventories are valued at the lower of cost (including purchase cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition) and estimated net realisable value, after providing for obsolescence, where appropriate. Raw materials, packing materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished products will exceed their net realisable value.

Raw materials, packing materials and stores and spares are valued at cost computed on weighted average basis. The cost includes purchase price, inward freight and other incidental expenses net of refundable duties, levies and taxes, where applicable.

Finished goods produced and work-in-progress are carried at lower of net realisable value and cost (including purchase cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition), computed on a weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

(2.10) Taxes

Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Income tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Income tax assets and Income tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax is recognised using balance sheet approach at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured using the tax rates that are expected to apply in a year when asset is realised or the liability is expected to be settled based on the tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing Income tax where the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Current and deferred tax for the year

Current and deferred tax are recognised in the statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(2.11) Foreign Currency translation

Functional and Presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Financial statements are presented in Indian rupee (INR), which is functional and presentation currency of the company.

Transaction and balances

Transactions in foreign currencies are initially recognised in the financial statements using exchange rates prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated to the functional currency at the exchange rates prevailing at the reporting date and foreign exchange gain or loss are recognised in the Statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(2.12) Provisions and Contingent Liabilities

Provisions:

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. The company does not recognise a contingent liability but discloses its existence in the financial statements.

(2.13) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are attributable to the acquisition of financial asset. Trade receivables that do not contain a significant financing component are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section 2.05 for Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- Financial assets at amortised cost
- Financial assets at fair value through profit or loss
- Financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition

A 'financial asset' is measured at amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. The company's financial assets at amortised cost includes loans and other financial assets.

A 'financial asset' is measured at FVOCI if both the following conditions are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Upon initial recognition, the company can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the statement of profit and loss when the right of payment has been established, except when the company benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss. This category includes investments in mutual funds. Dividends on such investments are recognised in the statement of profit and loss when the right of payment has been established.

[Handwritten signature]

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(2.13) Financial Instruments (continued)

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognised (i.e. removed from a company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset and either
 - (a) the company has transferred substantially all the risks and rewards of the asset,
 - (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired, if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

For trade receivables, the company applies a simplified approach in calculating ECLs. Therefore, the company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated.

Forward contracts are used to hedge forecast transactions, the company generally designates only the change in fair value of the forward contract related to the spot component as the hedging instrument. Gains or losses relating to the effective portion of the change in the spot component of the forward contracts are recognized in other comprehensive income in cash flow hedging reserve within equity. In some cases, the entity may designate the full change in fair value of the forward contract (including forward points) as the hedging instrument. In such cases, the gains and losses relating to the effective portion of the change in fair value of the entire forward contract are recognized in the cash flow hedging reserve within equity.

(2.14) Leases

The company's lease asset class consist of leases for office premises and establishments. The company assesses whether a contract contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the company has the right to direct the use of the asset.

The Company as a lessee

At the date of commencement of the lease, the company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the lease term.

The company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the company changes its assessment as to whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The company does not have any lease contracts wherein it acts as a lessor.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(2.15) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise of cash balances at banks, cash on hand and demand deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

In the cash flow statement, cash and cash equivalents includes cash in hand, cash at bank, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

(2.16) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the company's earnings per share is the net profit for the year after deducting any attributable tax thereto for the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

The equity shares of the company has been sub divided from 1,784,858 fully paid up equity shares of face value Rs. 10 into 8,924,290 equity shares of face value Rs. 2 each. Furthermore, 37,928,233 fully paid up equity shares of face value Rs. 2 has been issued as bonus shares in the ratio of 17:4 by utilising the balance in Securities Premium account.

(2.17) Segment Reporting

Based on "Management Approach" as defined in Ind AS 108 - Operating Segments, the chief operating decision maker i.e. Mr. Yash Parekh (Managing Director & CEO) evaluates the company's performance and allocates the resources based on an analysis of various performance indicators by business segments. Inter segment sales and transfers are reflected at market prices. Unallocable items includes general corporate income and expense items which are not allocated to any business segment.

Segment Policies

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

(2.18) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(29) Employee benefits

(a) Defined contribution plan

The Company has a defined contribution plan in respect of provident fund. Contributions are made to provident fund in India for employees as per regulations. The contributions are made to registered provident fund administered by the Government of India. The obligation of the Company is limited to the amount contributed and it has neither further contractual nor any constructive obligation.

(Amounts in Rupees Million unless stated otherwise)

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Employer's contribution to provident fund	2.42	1.96

Included in 'Contribution to provident fund & other funds' under employee benefits expense (Refer Note 24)

(b) Defined benefit plans

Gratuity:

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is an unfunded plan and the Company makes contribution to recognised funds in India.

Actuarial Assumptions

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Discount rate	7.10%	7.20%
Future salary increases	5.00%	5.00%
Expected Return on Plan Assets	7.20%	6.50%
Attrition rate	10.00%	10.00%
Mortality rate	IALM 2012-14(Ult)	IALM 2012-14(Ult)

Notes:

- Discount rate: The discount rate is based on the prevailing market yields of Indian Government securities for the estimated term of the obligations.
- Salary escalation rate: The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

The amounts recognised in the balance sheet and movements in the net defined benefit obligation (DBO) over the year are as follows :

(Amounts in Rupees Million unless stated otherwise)

Change in the present value of obligation	Year ended March 31, 2024	Year ended March 31, 2023
Present value of net obligation at the beginning of the year	0.98	0.42
Net interest	0.31	0.03
Liability transfer out on account of slump sale	-	-
Current service cost	1.00	0.71
Past service cost	-	-
Benefits paid	-	-
Contribution to plan assets	-	-
Return on plan assets	(0.51)	(0.02)
Remeasurement due to	(0.25)	0.02
- Actuarial (loss)/gain arising from change in financial assumptions	(0.58)	(0.19)
- Actuarial (loss)/gain arising on account of experience changes	-	0.02
- Actuarial (loss)/gain arising on account of demographical assumptions	-	-
Present value of obligation at the end of the year	0.96	0.98

Handwritten signature/initials.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(29) Employee benefits (Continued)

(b) Defined benefit plans (Continued)

(Amounts in Rupees Million unless stated otherwise)

Amount recognised in the statement of profit and loss	Year ended March 31, 2024	Year ended March 31, 2023
Current service cost	1.00	0.71
Net interest	0.06	0.03
Total expense recognised in the statement of profit and loss	1.06	0.74

Amount recognised in the other comprehensive income	Year ended March 31, 2024	Year ended March 31, 2023
Balance at the beginning of the year	0.15	-
Actuarial (loss)/gain arising from change in financial assumptions	0.58	0.19
Actuarial (loss)/gain arising from experience over past period	-	(0.02)
Return on plan assets, excluding amount included in net interest on net defined benefit liability/(assets)	-	(0.02)
Balance at the end of the year	0.73	0.15

(c) Sensitivity of the defined benefit obligation to changes in weighted principal assumptions is:

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Discount rate (Increases 1%)	(0.27)	(0.24)
Discount rate (Decreases 1%)	0.30	0.27
Salary increase rate (Increases 1%)	0.23	0.28
Salary increase rate (Decreases 1%)	(0.21)	(0.25)
Withdrawal Rate (Increases 1%)	0.02	0.01
Withdrawal Rate (Decreases 1%)	(0.03)	(0.01)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice it is unlikely to occur, and changes in some of the assumptions may be correlated. The methods and types of assumption used in preparing the sensitivity analysis did not change compared to previous year.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(31) Fair value measurement

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities if the carrying amount is a reasonable approximation of fair value those include cash and cash equivalents, other bank balances, trade receivables and trade payables.

(Amounts in Rupees Million unless stated otherwise)			
At fair value through profit and loss	Level	March 31, 2024	March 31, 2023
Assets			
Derivative asset - Forward contract receivable	2	0.40	-
Total Assets		0.40	-
Liabilities			
Derivative liabilities - Forward contract payables	2	-	7.94
Total Liabilities		-	7.94

(Amounts in Rupees Million unless stated otherwise)		
At amortised cost	March 31, 2024	March 31, 2023
Assets		
Trade receivables	426.20	789.74
Cash and cash equivalents	157.01	100.23
Investment	10.55	4.11
Loan	191.09	116.08
Other financial assets	132.06	8.29
Total Assets	916.91	1,018.45
Liabilities		
Borrowings	841.39	893.61
Lease liabilities	7.75	8.39
Trade payables	147.95	200.13
Other financial liabilities	11.96	24.63
Total Liabilities	1,009.05	1,126.76

Note: Carrying amounts of cash and cash equivalents, other bank balances, trade receivables, other financial assets, borrowings, other financial liabilities and trade payables as at year ended March 31, 2024 and March 31, 2023 approximate their fair value due to their short-term nature. Difference between carrying amounts and fair values of other financial assets and other financial liabilities subsequently measured at amortised cost is not significant in each of the periods presented.

Handwritten signature/initials.

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(32) Financial risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board is responsible for developing and monitoring the Company's risk management policies. The Board holds regular meetings on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Board oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

a). Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which Company operates and other macro-economic factors.

Credit quality of a customer is assessed based on its credit worthiness and historical dealings with the Company, market intelligence and goodwill. Outstanding customer receivables are regularly monitored. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables and other receivables.

Cash and cash equivalents and other bank balances

The Company held cash and cash equivalents and other bank balances of Rs. 161.76 Million as at March 31, 2024 (March 31, 2023 : Rs 100.23 Million). The credit worthiness of banks and financial institutions is evaluated by management on an ongoing basis and is considered to be good.

Loans

Loan is given to related parties for which credit risk is managed by monitoring the recoveries of such amounts on regular basis. The Company does not perceive any credit risk related to such loans given to subsidiary companies.

Other financial assets

Other financial assets measured at amortised cost includes deposits and capital advances for immovable properties etc. Credit risk related to these financial assets are managed by monitoring the recoveries of such amounts on regular basis and the Company does not perceive any credit risk related to these financial assets.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

b). Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. The Company has access to unused credit facility at the year ended March 31, 2024 amounting to Rs 1162.70 Million (March 31, 2023 : Rs 911.95 Million) towards working capital needs as and when required.

(32) Financial risk management framework (Continued)

Maturities of financial liabilities

The below table analyses the Company's financial liabilities into relevant maturity based on their contractual maturities. The amounts disclosed in the table are contractual undiscounted cash flows.

(Amounts in Rupees Million unless stated otherwise)

Particulars	Carrying amount	Undiscounted amount	
		<12months	≥ 12months
March 31, 2024			
Non Derivative financial instruments			
Borrowings	841.39	840.00	1.66
Trade payables	147.95	147.95	-
Lease liabilities	7.75	5.15	3.18
Other financial liabilities	11.96	11.96	-
March 31, 2023			
Non Derivative financial instruments			
Borrowings	893.61	889.35	3.10
Trade payables	200.13	200.13	-
Lease liabilities	8.39	4.79	4.15
Other financial liabilities	24.63	24.63	-

(c). Market risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – that will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currency.

(i). Currency risk

The Company is exposed to currency risk on account of foreign currency transactions including recognized assets and liabilities denominated in a currency that is not the Company's functional currency (₹), primarily in respect of United States Dollar and Chinese Yuan. The Company ensures that the net exposure is kept to an acceptable level.

Exposure to currency risk

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows:

As at March 31, 2024

(Amounts in Rupees Million unless stated otherwise)

Particulars	USD converted to INR	YUAN converted to INR
Financial assets		
Trade receivables	267.70	20.03
Net exposure to foreign currency (assets)	267.70	20.03
Financial liabilities		
Trade payables	5.22	-
Borrowings	-	-
Net exposure to foreign currency (liabilities)	5.22	-
Net exposure to foreign currency	262.47	20.03

As at March 31, 2023

(Amounts in Rupees Million unless stated otherwise)

Particulars	USD converted to INR	YUAN converted to INR

(32) Financial risk management framework (Continued)

Sensitivity analysis

A reasonably possible strengthening /(weakening) of the Indian Rupee against all other currencies would have affected the measurement of financial instruments denominated in a foreign currency profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Particulars	(Amounts in Rupees Million unless stated otherwise)	
	Impact on profit after tax and equity	
	March 31, 2024	March 31, 2023
USD		
- Increase by 5%	9.82	20.25
- Decrease by 5%	(9.82)	(20.25)
YUAN		
- Increase by 5%	0.75	1.66
- Decrease by 5%	(0.75)	(1.66)

Outstanding Derivative contracts

The Company hedges exposures to changes in foreign currency. The counterparty for these contracts is a bank. All these instruments of forward contracts are valued at fair value through profit and loss.

The following table gives details in respect of outstanding hedge contracts:

Particulars	(Amounts in Rupees Million unless stated otherwise)			
	As at March 31, 2024			
	USD	INR	YUAN	INR
Forward contracts (fair valuation through profit and loss)	10.23	857.05	1.50	18.18
Total	10.23	857.05	1.50	18.18

Particulars	(Amounts in Rupees Million unless stated otherwise)			
	As at March 31, 2023			
	USD	INR	YUAN	INR
Forward contracts (fair valuation through profit and loss)	13.77	1,135.85	4.99	61.10
Total	13.77	1,135.85	4.99	61.10

Following table summarises approximate gain / (loss) on the Company's other comprehensive income on account of appreciation / depreciation of the underlying currencies:

Particulars	(Amounts in Rupees Million unless stated otherwise)	
	Impact on profit after tax and equity	
	March 31, 2024	March 31, 2023
USD		
- Increase by 5%	32.07	42.50
- Decrease by 5%	(32.07)	(42.50)
USD		
- Increase by 5%	0.68	2.29
- Decrease by 5%	(0.68)	(2.29)

CIN: U24246MH1997PLC111057

Notes to the Standalone financial statements for the year ended March 31, 2024

(32) Financial risk management framework (Continued)

(ii). Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

The Companies exposure to interest rate risks relates primarily to the Companies interest obligations on its borrowings. Borrowings taken at variable rates are exposed to fair value interest rate risk. The Company carries excellent credit ratings, due to which it has assessed that there are no material interest rate risk and any exposure thereof.

(iii). Capital risk management

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business.

The Company monitors its capital by using gearing ratio, which is net debt divided to total equity. Net debt includes borrowings net of cash and bank balances and total equity comprises of equity share capital, general reserve, securities premium, other comprehensive income and retained earnings.

(Amounts in Rupees Million unless stated otherwise)

Particulars	March 31, 2024	March 31, 2023
Borrowings	841.39	893.63
Less : Cash and cash equivalents	(157.01)	(100.23)
Less : Other bank balances	(0.11)	(0.11)
Net Debt	684.27	793.29
Equity	2,270.47	1,775.41
Total Equity	2,270.47	1,775.41
Total Equity and Net Debt	2,954.74	2,568.70
Capital gearing ratio	0.23	0.31

Loan covenants

The Company is required to comply with all the loan covenants as set out in the loan agreement/facility letter. The Company has complied with these covenants during the reporting period.

INDEPENDENT AUDITORS' REPORT

The Members of
Gem Aromatics Limited
(formerly known as GEM AROMATICS PRIVATE LIMITED)

Report on the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of **Gem Aromatics Limited** (formerly known as GEM AROMATICS PRIVATE LIMITED) ("the Parent"), & its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2024, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Cash Flow Statement for the year then ended, the consolidated Statement of Changes in Equity, notes to the financial statements, a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial statements of subsidiaries, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, consolidated profit, other comprehensive income, consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Other Matter

3. We have not audited the financial statements of 1 wholly owned subsidiary (ie. Gem Aromatics LLC) whose financial statements reflect total assets of Rs. 152.27 million as at 31st March, 2024, total revenue of Rs. 508.98 million for the year ended 31st March, 2024 and net cash outflows of Rs. 11.53 million for the year ended 31st March, 2024. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of subsection (3) of Section 143 of the Act, in so

BRANCHES : • Ahmedabad • Delhi • Dombivli • Marine Lines

far as it relates to the aforesaid subsidiary is based solely on the report of the other auditor.

4. We have not audited the financial statements of 1 wholly owned subsidiary (ie. Gem Aromatics FZ LLC) whose financial statements reflect total assets of Nil as at 31st March, 2024, total revenue of Nil for the year ended 31st March, 2024 and net cash outflows of Nil for the year ended 31st March, 2024. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on such unaudited financial statements. Our opinion, in so far as it relates to amounts and disclosures included in respect of this subsidiary, is based solely on such unaudited financial statements and other unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are not material to the Group.

Our opinion on the consolidated financial statements, and our report on the Other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the management.

Other Information

5. The Holding Company's Management and Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Directors Report, but does not include the consolidated financial statements and our auditor's report thereon. The Holding Company's Director's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Directors report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 "The Auditors Responsibilities Relating to Other Information".

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The Holding Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind As) specified under Section 133 of the Act, with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibility

7. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained,

whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other companies included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

8. As required by section 143 (3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- b. In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as appears from our examination of those books and report of other auditor except for the matter stated in the paragraph 8(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- c. The consolidated Balance Sheet, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- d. In our opinion, the aforesaid consolidated financial statements comply with the IndAS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;

- e. On the basis of written representations received from the directors of the Holding Company as on March 31, 2024 and taken on record by the Board of Directors of the Holding Company and the reports of statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure I".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 8(b) above on reporting under Section 143(3)(b) of the Act and paragraph 8(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- i. The Group has disclosed impact of pending litigations which may have impact on its consolidated financial position in Note No. 39 to Consolidated Financial Statements;
- ii. the Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. there were no amounts required to be to be transferred to the Investor Education and Protection Fund.
- iv. (a) The respective managements of the Parent and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The respective management of the Parent and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented, that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the

Parent or its subsidiaries from any person(s) or entity(ies), including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under i (iv) (a) and (b) above, contain any material mis-statement.

- v. The Group has neither declared nor paid any dividend during the year.
- vi. Based on our examination which included test checks, the Holding Company and its subsidiary company incorporated in India have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except at the database level to log any direct data changes to the accounting software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

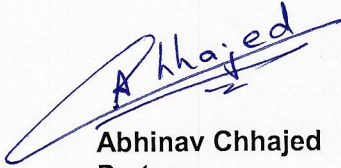

As provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

9. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure II" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

M. No. 196452

UDIN: 24196452BKBPZV8548

**Annexure I to the Independent Auditors' Report
(Referred to in our report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of
Section 143 of the Companies Act, 2013 ("the Act")**

1. We have audited the internal financial controls over financial reporting of **Gem Aromatics Limited** (formerly known as Gem Aromatics Private Limited) ("the Holding Company"), as at 31st March, 2024 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their

operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

4. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

5. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

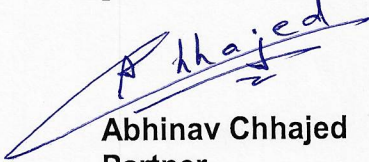

Opinion

6. In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Control over Financial Reporting issued by the ICAI.

(C) Cashflows from financing activities		
Proceeds from Current Borrowings	3,133.89	3,017.06
Repayment of Current Borrowings	(3,183.18)	(2,894.91)
Proceeds from Non-Current Borrowings (includes current maturities of long term borrowings)	269.86	4.09
Repayment of Non-Current Borrowings	(1.28)	(1.26)
Finance costs	(58.47)	(55.28)
Payment of lease liabilities (Refer note 28)	(5.46)	(4.56)
Net cashflows from financing activities	155.36	65.14
Net (decrease)/increase in cash and cash equivalents (A+B+C)	44.31	73.96
Cash and cash equivalents at the beginning of the year	105.83	64.98
Effect of exchange rate changes	8.70	(33.11)
Cash and cash equivalents at the end of the year	158.84	105.83
Cash and cash equivalents comprise of:		
Cash on hand	0.25	1.58
Balance with banks:		
In current accounts	2.73	6.05
In cash credit account	100.86	98.20
In deposit account with original maturity of 3 months or less	55.00	-
Total Cash and cash equivalents	158.84	105.83

* Amount shown as 0.00 million is less than 0.01 million

Material accounting policies

The accompanying notes from 1 to 44 form an integral part of the financial statements.

Notes :

1. The cashflow statement has been prepared under the indirect method as set out in Indian Accounting standard (Ind AS 7) 'Statement of cash flows' as specified under section 133 of the Companies Act, 2013.

2. Refer note 28 for non cash items pertaining to Lease repayment included in financing activities.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

(1) Corporate information

Gem Aromatics Limited (formerly known as Gem Aromatics Private Limited) is a Public Limited Company w.e.f August 17, 2023 incorporated in India under the provisions of the erstwhile Companies Act 1956. The registered office of the company is situated in the state of Maharashtra. The Company manufactures essential oil based products and derivatives in India while specializing in products that are derived from mint, clove, eucalyptus and other essential oils which finds application across broad spectrum of end user industries. It carries on manufacturing operations at the plants located at Silvassa, Dadra & Nagar Haveli and Badaun, Uttar Pradesh. The Consolidated Financial Statements of the group for the year ended March 31, 2024 were approved and authorized for issue by board of directors in their meeting held on July 31, 2024.

The Consolidated Financial Statements are prepared for the company and its subsidiaries together referred to as the "Group".

Name of the Subsidiary	Country of Incorporation	Shareholding for the years/periods	Nature of operations
Gem Aromatics LLC	United States of America	100%	The Company is primarily engaged in the business of general trading of essential oils and aroma chemicals.
Krystal Ingredients Private Limited*	India	100%	The Company is in the business of manufacturing of natural identical / synthetic products, including those with application in the Flavour & Fragrance industry, and specialty chemicals.
Gem Aromatics FZ LLC*	United Arab Emirates	100%	The Company is primarily engaged in the business of General Trading.

* Subsidiary with effect from April 22, 2021.

(2) Material accounting policies

(2.01) Basis of preparation

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the financial statements.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments). The financial statements are presented in Indian Rupees "INR Million" (Rupees Million) which is also the Group's functional currency. All values are rounded off to nearest two decimals, except when otherwise indicated.

Basis of Consolidation

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses.

Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions, are eliminated. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

(2.02) Significant accounting estimates, judgements and assumptions

The preparation of the Group's consolidated financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the consolidated financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognized in the year in which the estimates are revised and in any future year affected.

In the process of applying the Group's accounting policies, management has made the following judgements which have significant effect on the amounts Recognized in the Consolidated financial statements:

a. Useful lives of property, plant and equipment and intangible assets : Determination of the estimated useful life of tangible assets and intangible assets and the assessment as to which components of the cost may be capitalized. Useful life of tangible assets is based on the life specified in Schedule II of the Companies Act, 2013 and also as per management estimate for certain category of assets. Assumption also need to be made, when group assesses, whether as asset may be capitalized and which components of the cost of the assets may be capitalized.

b. Contingencies : Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigation against group as it is not possible to predict the outcome of pending matters with accuracy.

c. Fair value measurements and valuation processes : Some of the Companies assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Group used market-observable data to the extent it is available. Where Level 1 inputs are not available, the Group engaged third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques ar inputs to fair value measurements such as Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

d. Estimation of defined benefit plans : The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.

e. Impairment of property, plant and equipment and intangible assets : At each balance sheet date the company assesses whether there is any indication of impairment of the carrying amount for each class of the property, plant and equipment, intangible assets and investments. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

f. Operating lease commitments - Group as lessee : The Group has entered into lease agreement for office premises and establishments. The Group has determined based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the asset and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

(2.03) Property, plant and equipment

All items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost includes its purchase price including non-refundable taxes and duties, directly attributable costs of bringing the asset to its present location and condition. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of profit and loss during the reporting period in which they are incurred.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in line with revisions to accounting estimates.

Depreciation

Depreciation on property, plant and equipment is provided on 'Written Down Value' (WDV) method, which is in line with the estimated useful life as specified in Schedule II of the Companies Act, Depreciation commences when the assets are ready for their intended use. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing net disposal proceeds with carrying amount. These are included in the Consolidated Statement of profit and loss.

The estimated useful lives are as follows :

Assets	Useful life (years)
Land (Freehold)	-
Building	30
Plant and Machinery	15
Furnitures and Fixtures	10
Electric Installation	10
Lab Equipments	10
Vehicles	8 to 10
Factory/Office Equipment	5
Computers	3 to 6

(2.04) Intangible Assets

Intangible assets with finite useful life are stated at cost of acquisition, less accumulated depreciation/ amortisation and impairment loss, if any. Cost includes taxes, duties and other incidental expenses related to acquisition and other incidental expenses. Amortisation is recognised in profit or loss on a diminishing balance method over the estimated useful lives of respective intangible

The estimated useful lives are as follows :

Assets	Useful life (years)
Computer Software	3 to 6

Intangible assets are amortised in profit or loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

(2.05) Impairment of property, plant and equipment and intangible assets

At each balance sheet date the company assesses whether there is any indication of impairment of the carrying amount for each class of the property, plant and equipment, intangible assets and investments. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

(2.06) Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The group has identified twelve months as its operating cycle.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

(2.07) Fair value measurement

The Group measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and liabilities maturing within one year from the balance sheet date and which are not carried at fair value, the carrying amount approximates fair value due to short term maturity of these instruments.

The Group recognises the transfer between the levels of fair value hierarchy at the end of the reporting period during which the changes have occurred.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Quantitative disclosures of fair value measurement hierarchy (Note 31)
- Financial instruments (including those carried at amortised cost) (Note 31)

(2.08) Revenue

Revenue from contracts with customers is recognised on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation.

Sale of products :

Revenue from sale of products is recognised when the control of the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Rendering of services:

Revenue from services is recognised over time by measuring progress towards satisfaction of performance obligation for the services rendered.

Other income:

Revenue in respect of overdue interest, insurance claims, etc. is recognised to the extent the Group is reasonably certain of its ultimate realisation.

Interest / Dividend income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive is established. Interest from customers on delayed payments are recognised when there is a certainty of realisation.

Export Incentive / Duty drawback :

Export incentives are recognised when there is reasonable assurance that the Group will comply with the conditions and the incentive will be received.

(2.09) Inventories

Inventories are valued at the lower of cost (including purchase cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition) and estimated net realisable value, after providing for obsolescence, where appropriate. Raw materials, packing materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished products will exceed their net realisable value.

Raw materials, packing materials and stores and spares are valued at cost computed on weighted average basis. The cost includes purchase price, inward freight and other incidental expenses net of refundable duties, levies and taxes, where applicable.

Finished goods produced and work-in-progress are carried at lower of net realisable value and cost (including purchase cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition), computed on a weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Handwritten signature/initials.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

(2.10) Taxes

Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Income tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Income tax assets and Income tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax is recognised using balance sheet approach at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured using the tax rates that are expected to apply in a year when asset is realised or the liability is expected to be settled based on the tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing Income tax where the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Current and deferred tax for the year

Current and deferred tax are recognised in the statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(2.11) Foreign Currency translation

Functional and Presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Financial statements are presented in Indian rupee (INR), which is functional and presentation currency of the Group.

Transaction and balances

Transactions in foreign currencies are initially recognised in the financial statements using exchange rates prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated to the functional currency at the exchange rates prevailing at the reporting date and foreign exchange gain or loss are recognised in profit or loss. The translation of financial statements of the foreign subsidiaries to the Reporting currency is performed for assets and liabilities using the exchange rate in effect at the Balance Sheet date and for the items mentioned in the Statement of Profit and Loss using the average exchange rate for the respective period. The average exchange rate is arrived at based on the simple average of the closing rates at the end of each month during the given period. The gains or losses resulting from such translation are included in Foreign currency translation reserves under other components of equity.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

(2.12) Provisions and Contingent Liabilities

Provisions:

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. The Group does not recognise a contingent liability but discloses its existence in the financial statements.

(2.13) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are attributable to the acquisition of financial asset. Trade receivables that do not contain a significant financing component are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section 2.05 for Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Handwritten signature/initials.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

(2.13) Financial Instruments (continued)

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- Financial assets at amortised cost
- Financial assets at fair value through profit or loss
- Financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition

A 'financial asset' is measured at amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. The Group's financial assets at amortised cost includes loans and other financial assets.

A 'financial asset' is measured at FVOCI if both the following conditions are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the statement of profit and loss when the right of payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss. This category includes investments in mutual funds. Dividends on such investments are recognised in the statement of profit and loss when the right of payment has been established.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from a Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset and either
 - (a) the Group has transferred substantially all the risks and rewards of the asset,
 - (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired, if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated.

Forward contracts are used to hedge forecast transactions, the Group generally designates only the change in fair value of the forward contract related to the spot component as the hedging instrument. Gains or losses relating to the effective portion of the change in the spot component of the forward contracts are recognized in other comprehensive income in cash flow hedging reserve within equity. In some cases, the entity may designate the full change in fair value of the forward contract (including forward points) as the hedging instrument. In such cases, the gains and losses relating to the effective portion of the change in fair value of the entire forward contract are recognized in the cash flow hedging reserve within equity.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

(2.14) Leases

The Group's lease asset class consist of leases for office premises and establishments. The Group assesses whether a contract contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Group has the right to direct the use of the asset.

The Company as a lessee

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right -of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight -line method from the commencement date over the lease term.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment as to whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Group does not have any lease contracts wherein it acts as a lessor.

(2.15) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise of cash balances at banks, cash on hand and demand deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

In the cash flow statement, cash and cash equivalents includes cash on hand, cash at bank, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

(2.16) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Group's earnings per share is the net profit for the year after deducting any attributable tax thereto for the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

The equity shares of the company has been sub divided from 1,784,858 fully paid up equity shares of face value Rs. 10 into 8,924,290 equity shares of face value Rs. 2 each. Furthermore, 37,928,233 fully paid up equity shares of face value Rs. 2 has been issued as bonus shares in the ratio of 17:4 by utilising the balance in Securities Premium account.

(2.17) Segment Reporting

Based on "Management Approach" as defined in Ind AS 108 - Operating Segments, the chief operating decision maker i.e. Mr. Yash Parekh (Managing Director & CEO) evaluates the Group's performance and allocates the resources based on an analysis of various performance indicators by business segments. Inter segment sales and transfers are reflected at market prices. Unallocable items includes general corporate income and expense items which are not allocated to any business segment.

Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

(2.18) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

Shrenik Vora

(13) Equity share capital (Continued)

(d) Rights, preferences and restrictions attached to equity shares

The Company has one class of equity shares having a par value of Rs 2 per share w.e.f July 14, 2023. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

(e) Except as stated in note under 13 (a) there were no shares allotted pursuant to contract without payment being received in cash or as fully paid up by way of bonus shares or any shares bought back.

(f) There are no unpaid calls from any director or officer.

(g) No dividend was declared by the Company during the year ended March 31, 2024 and March 31, 2023.

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

(29) Employee benefits

(a) Defined contribution plan

The Group has a defined contribution plan in respect of provident fund. Contributions are made to provident fund in India for employees as per regulations. The contributions are made to registered provident fund administered by the Government of India. The obligation of the Group is limited to the amount contributed and it has neither further contractual nor any constructive obligation.

(Amounts in Rupees Million unless stated otherwise)

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Employer's contribution to provident fund	2.42	1.96

Included in 'Contribution to provident fund & other funds' under employee benefits expense (Refer Note 24)

(b) Defined benefit plans

Gratuity:

The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is an unfunded plan and the Group makes contribution to recognised funds in India.

Actuarial Assumptions

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Discount rate	7.10%	7.20%
Future salary increases	5.00%	5.00%
Expected Return on Plan Assets	7.20%	6.50%
Attrition rate	10.00%	10.00%
Mortality rate	IALM 2012-14(Ult)	IALM 2012-14(Ult)

Notes:

- Discount rate: The discount rate is based on the prevailing market yields of Indian Government securities for the estimated term of the obligations.
- Salary escalation rate: The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

The amounts recognised in the balance sheet and movements in the net defined benefit obligation (DBO) over the year are as follows :

(Amounts in Rupees Million unless stated otherwise)

Change in the present value of obligation	Year ended March 31, 2024	Year ended March 31, 2023
Present value of net obligation at the beginning of the year	0.98	0.42
Net interest	0.31	0.03
Liability transfer out on account of slump sale	-	-
Current service cost	1.00	0.71
Past service cost	-	-
Benefits paid	-	-
Contribution to plan assets	(0.51)	(0.02)
Return on plan assets	(0.25)	0.02
Remeasurement due to		
- Actuarial (loss)/gain arising from change in financial assumptions	(0.58)	(0.19)
- Actuarial (loss)/gain arising on account of experience changes	-	0.02
- Actuarial (loss)/gain arising on account of demographical assumptions	-	-
Present value of obligation at the end of the year	0.96	0.98

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

(32) Financial risk management framework

The Parent company's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board is responsible for developing and monitoring the Group's risk management policies. The Board holds regular meetings on its activities.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Parent company's Board oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group.

a). Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers.

Trade and other Receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which Group operates and other macro-economic factors.

Credit quality of a customer is assessed based on its credit worthiness and historical dealings with the Group, market intelligence and goodwill. Outstanding customer receivables are regularly monitored. The management uses a simplified approach for the purpose of computation of expected

Cash and cash equivalents and other bank balances

The Group held cash and cash equivalents and other bank balances of Rs. 285.59 Mn as at March 31, 2024 (March 31, 2023 : Rs 105.83 Mn). The credit worthiness of banks and financial institutions is evaluated by management on an ongoing basis and is considered to be good.

Other financial assets

Other financial assets measured at amortised cost includes deposits and capital advances for immovable properties etc. Credit risk related to these financial assets are managed by monitoring the recoveries of such amounts on regular basis and the Group does not perceive any credit risk related to these financial assets.

Other than trade and other receivables, the Group has no other financial assets that are past due but not impaired.

b). Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. The Company has access to unused credit facility at the year ended March 31, 2024 amounting to Rs 1,774.32 Million (March 31, 2023 : Rs 911.95 Million) towards working capital needs as and when required.

Maturities of financial liabilities

The below table analyses the Group's financial liabilities into relevant maturity based on their contractual maturities. The amounts disclosed in the table are contractual undiscounted cash flows.

(Amounts in Rupees Million unless stated otherwise)

GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

Notes to the Consolidated financial statements for the year ended March 31, 2024

(32) Financial risk management framework (Continued)

(c). Market risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – that will affect the Group income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Group is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currency.

(i). Currency risk

The Group is exposed to currency risk on account of foreign currency transactions including recognised assets and liabilities denominated in a currency that is not the Group's functional currency (₹), primarily in respect of United States Dollar and Chinese Yuan. The Group ensures that the net exposure is kept to an acceptable level.

Exposure to currency risk

The Group's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows:

As at March 31, 2024

(Amounts in Rupees Million unless stated otherwise)

Particulars	USD converted to INR	YUAN converted to INR
Financial assets		
Trade Receivables	267.70	20.03
Net exposure to foreign currency (assets)	267.70	20.03
Financial liabilities		
Trade Payables	5.22	-
Net exposure to foreign currency (liabilities)	5.22	-
Net exposure to foreign currency	262.48	20.03

As at March 31, 2023

(Amounts in Rupees Million unless stated otherwise)

Particulars	USD converted to INR	YUAN converted to INR
Financial assets		
Trade Receivables	548.16	44.47
Net exposure to foreign currency (assets)	548.16	44.47
Financial liabilities		
Trade Payables	6.90	-
Net exposure to foreign currency (liabilities)	6.90	-
Net exposure to foreign currency	541.26	44.47

Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against all other currencies would have affected the measurement of financial instruments denominated in a foreign currency profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

(Amounts in Rupees Million unless stated otherwise)

(32) Financial risk management framework (Continued)

Outstanding Derivative contracts

The Group hedges exposures to changes in foreign currency. The counterparty for these contracts is a bank. Of the all instruments, majority instruments of forward contracts which are valued at fair value through profit and loss.

The following table gives details in respect of outstanding hedge contracts:

Particulars	As at March 31, 2024			
	USD	INR	YUAN	INR
Forward contracts (fair valuation through profit and loss)	10.23	857.05	1.50	18.18
Total	10.23	857.05	1.50	18.18

Particulars	As at March 31, 2023			
	USD	INR	YUAN	INR
Forward contracts (fair valuation through profit and loss)	13.77	1,135.85	4.99	61.10
Total	13.77	1,135.85	4.99	61.10

Following table summarises approximate gain / (loss) on the Group's other comprehensive income on account of appreciation / depreciation of the underlying currencies:

Particulars	Impact on Profit After Tax	
	March 31, 2024	March 31, 2023
USD		
- Increase by 5%	32.07	42.50
- Decrease by 5%	(32.07)	(42.50)
YUAN		
- Increase by 5%	0.68	2.29
- Decrease by 5%	(0.68)	(2.29)

(ii). Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

The Group exposure to interest rate risks relates primarily to the Group interest obligations on its borrowings. Borrowings taken at variable rates are exposed to fair value interest rate risk. The Group carries excellent credit ratings, due to which it has assessed that there are no material interest rate risk and any exposure thereof.

(iii). Capital risk management

The Group aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders. The capital structure of the Group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Group's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business.

The Group monitors its capital by using gearing ratio, which is net debt divided to total equity. Net debt includes borrowings net of cash and bank balances and total equity comprises of equity share capital, general reserve, securities premium, other comprehensive income and retained earnings.

Particulars	As at March 31, 2024	
	March 31, 2024	March 31, 2023
Borrowings	1,111.25	893.61
Less : Cash and cash equivalents	(158.84)	(105.83)
Less : Other bank balances	(0.11)	(0.11)
Net Debt	952.30	787.67
Equity	2,305.45	1,795.50
Total Equity	2,305.45	1,795.50
Total Equity and Net Debt	3,257.75	2,583.17
Capital gearing ratio	0.29	0.30

Loan covenants

The Group is required to comply with all the loan covenants as set out in the loan agreement/facility letter. The Group has complied with these covenants during the reporting period.

Claims against the company not acknowledged as debt: (On consolidated basis)		
Particulars	Year ended March 31, 2023 (Rupees in Million)	Year ended March 31, 2024 (Rupees in Million)
Under Customs	300.97	300.77
Under Income Tax Act	48.02	55.11
Under GST Act	40.49	40.49
Under Stamp Duty Act	1.71	NIL
Under MSMED Act	NIL	0.55
Under Uttar Pradesh Trade Tax Regime	NIL	176.48
TOTAL	391.19	573.40

There are following orders passed by the Regulators / Courts / Tribunal which do not have an impact in the going concern status of the Company and its future operations. They are as follows:

Sr No	Case No	Amount	Current Status
1	DIAC/6122D/03-23	1.06 Million	<p>Gem Aromatics had placed an order for HVAC, HEPA System from Chem Pharma Industries India Pvt Ltd and same was supplied and Installed by Chem Pharma at our Badaun factory. However, there were technical defects, deficiencies, and short coming in the performance. Invoice of Rs 11.66 Million was raised by Chem Pharma and Gem has paid Rs 10.60 Million and Balance outstanding is Rs 1.06 Million. and the same was withheld. Chem Pharma has filed case in MSME against Gem Aromatics. Chem Pharma had fraudulently procured Completion Certificate from one of the Ex-Gem Employee which has been proved in conciliation Court.</p> <p>Chem Pharma had filed a claim in MSME court on 18//08/2021 for reconciliation & thereafter we gave our reply and filed a counter claim. Thereafter the conciliation proceedings ended on 04/01/2023 and the MSME court sent the claim to arbitration centre DIAC 04/01/2023 However, Chem Pharma did not pursue the matter and never filed any claim. After multiple notices the Arbitration centre itself terminated all proceedings on 28/08/2023.</p>
2	SLP(C) No. 014793 - / 2022	176.48 Million	<p>"Gem Aromatics purchased the land of Budaun facility from M/s Kanha Vanaspati Ltd. This land was mortgaged to SBI and the company bought the land from Kanha Vanaspati Ltd (KVL) as One Time Settlement with SBI. Kanha Vanaspati Ltd had old dues outstanding from the UP Trade Tax Regime. The Trade Tax department had claimed the dues from Gem Aromatics and Gem Aromatics moved to the High Court and have got both interim</p>

			<p>and final order in it's favour. The Department has moved to the Supreme Court against this order. Company has filed it's counter in Supreme Court. Matter is pending under SPLI in Supreme Court.</p> <p>The 3 respondents to this SPLI i.e. Gem, Kanha Vanaspati & SBI have filed their counters. The Department does not want to file a rejoinder and hence the matter will come for its final hearing on the next date as given by the Court (awaited currently).</p> <p>The matter was listed on 06/05/2024 and was adjourned."</p>
3	ITBA/AST/S/147/2023-24/1052846653(1)	15.01 Million	<p>This case is an offshoot case from one of our Supplier Om trading whose case was pending with the IT department. In extension to that, the IT department had issued a notice and is investigating the purchases made by Gem Aromatics from Om Trading. The department had disallowed the purchases made from Om Trading and thereby raised a demand notice of Rs 15.01 Million for AY 13-14.</p> <p>On receipt of the demand notice, the company filed a reply with the necessary documents with the AO and the AO had passed the order against the Company. Further, the Company has filed an appeal with the CIT (Appeals) which is now pending.</p>
4	ITBA/AST/S/147/2023-24/1052846653(1)	30.46 Million	<p>This case is an offshoot case from one of our Supplier Om trading whose case was pending with the IT department. In extension to that, the IT department had issued a notice and is investigating the purchases made by Gem Aromatics from Om Trading. The department had disallowed the purchases made from Om Trading and thereby</p>

			<p>raised a demand notice of Rs 30.46 Million for A.Y 14-15.</p> <p>On receipt of the demand notice, the company filed a reply with the necessary documents with the AO and the AO had passed the order against the Company. Further, the Company has filed an appeal with the CIT (Appeals) which is now pending.</p>
5	<p>Show cause Notice vide no 1955/2022-23/ADC/GR-II(AB)/CAC/ JNCH</p>	0.11 million	<p>"Gem Aromatics had received a consultative letter on 15.09.2022, which was missed out to attend from the company team. Company has received Show cause Notice vide no 1955/2022-23/ADC/GR-II(AB)/CAC/ JNCH dated 31.01.2023 from Superintendent of Custom NS-1 Centralised Adjudication Cell JNCH, Nhava Sheva.</p> <p>Company has replied to the Commissioner of customs on dated 20/02/23 and Personal Hearing was scheduled on 05/12/2023. Company has attended the Personal Hearing.</p> <p>The Additional commissioner of Custom agreed to the Typo and that there was not revenue loss.</p> <p>The Commissioner of custom has accepted our claim and appropriated the demand of Rs 5,18,651/- from duty that has been already paid.</p> <p>However the Additional Commissioner of Custom in his order had penalized with a Redemption fee of Rs.1,00,000 and Rs. 5,000".</p> <p>The company has filed an appeal against the order and department has also filed an appeal against such order. Company has written a letter to the Appellate Commissioner to review the appeals together.</p>

24. DIRECTORS' RESPONSIBILITY STATEMENT AS REQUIRED UNDER SECTION 134(3)(c) OF THE COMPANIES ACT, 2013

Pursuant to Section 134(5) of the Companies Act, 2013 the Board of Directors of the Company confirms that-

- a. In the preparation of the annual accounts for the year ended March 31, 2024, the Company has followed the applicable accounting standards and there are no material departures from the same.
- b. the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2024 and of the profit and loss of the Company for that period;
- c. The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d. The Directors have prepared the annual accounts on a 'going concern' basis;
- e. The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively;
- f. The directors have maintained internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively.

25. RISK MANAGEMENT

Risk Management is the process of identification, assessment and prioritization of risks followed by coordinated efforts to minimize, monitor and mitigate/control the probability and/or impact of unfortunate events or to maximize the realization of opportunities.

A comprehensive Risk Assessment and Minimization Procedure shall be reviewed to ensure that executive management controls risk through means of a properly defined framework.

26. CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) is the Companies intent to make a positive difference to the society; Companies have realized that the Government alone will not be able to get success in its endeavor to uplift the Society so therefore the concept of CSR has gained its prominence in recent years and has been made mandatory as per Companies Act, 2013, which requires Companies to contribute some part of its profits towards the CSR activities. With the rapidly changing corporate environment, more functional autonomy and operational freedom we have adopted Corporate Social Responsibility as a strategic tool for sustainable growth. We are committed to operate our business with emphasis on CSR in all areas of our operation. We will integrate our business values and operations to meet the expectations of our shareholders, customers, employees, regulators, investors, suppliers, community and to take care of environment with best interest

The Board has constituted a Corporate Social Responsibility (CSR) Committee as per the provisions of Section 135 of the Companies Act, 2013 and the Rules framed there under. The Board has approved the policy in the Board meeting CSR Policy contains the CSR activities to be carried out, governance structure, implementation process, composition of the Committee, etc.

The composition of the Corporate Social Responsibility (CSR) Committee is provided in **Annexure III**. As part of initiatives under Corporate Social Responsibility (CSR), the Company has undertaken projects in accordance with Schedule VII of the Companies Act, 2013.

The disclosures as per Rule 9 of Companies (Corporate Social Responsibility Policy) Rules, 2014 is at **Annexure III**.

27. ANNUAL EVALUATION OF THE PERFORMANCE OF THE BOARD, ITS COMMITTEES AND OF INDIVIDUAL DIRECTORS HAS BEEN MADE:

Pursuant to the provisions of the Companies Act, 2013, the Board is required to monitor and review the Board evaluation framework. Annual Performance and Evaluation has been conducted for all the Board Members as well as the Committees.

28. SECRETARIAL STANDARDS

The Company complies with all applicable secretarial standards issued by the Institute of Company Secretaries of India (ICSI).

29. COST RECORDS

The Board appointed M/s Y.R. Doshi & Associates Cost Accountants (Membership No. ICWA 000286), for audit of Cost Records maintained by the Company in respect of 'Organic and inorganic chemical products' Pursuant to Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, appropriate resolutions seeking your ratification to the remuneration of the aforesaid Cost Auditors are appearing in the Notice convening the 27th AGM of the Company. The Company maintains necessary cost records as specified by Central Government under sub-section 1 of Section 148 of the Act read with the Companies (Cost Records and Audit) Rules, 2014.

30. ADEQUACY OF INTERNAL FINANCIAL CONTROL

The Directors have established and maintained adequate internal financial controls to be followed by the Company. These internal financial controls are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The internal financial controls were reviewed and found to be operating effectively during the year.

Rank & Associates has been appointed as the Internal Auditor for the issuance of the Internal Controls over Financial Reporting (ICFR) Report and the Internal Audit Report. The ICFR Report has been placed in front of the Audit Committee and the Board of Directors and the findings therein have been reviewed by the Committee & Board members.
