

**INDEPENDENT AUDITORS' REPORT**

The members of  
**Gem Aromatics Limited**  
(formerly known as Gem Aromatics Private Limited)

**Report on the Consolidated Financial Statements**

**Opinion**

1. We have audited the accompanying consolidated financial statements of **Gem Aromatics Limited** (formerly known as Gem Aromatics Private Limited) ("the Parent"), & its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2025, the consolidated statement of profit and loss (including other comprehensive income), the consolidated cash flow statement for the year then ended, the consolidated statement of changes in equity, notes to the financial statements, a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial statements of subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, consolidated profit, other comprehensive income, consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

**Basis for Opinion**

2. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

**Other Matter**

3. We have not audited the financial statements of 1 wholly owned subsidiary i.e. Gem Aromatics LLC whose financial statements reflect total assets of Rs. 308.60 million as at March 31, 2025, total revenue of Rs. 921.09 million for the year ended March 31, 2025 and net cash inflow of Rs. 5.47 million for the year ended March 31, 2025. These financial statements have been audited by TDK & Co, Chartered Accountants (the "Other Auditor"), whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid subsidiary is based solely on the report of the Other Auditor.

The Company's management has converted the financial information of Gem Aromatics LLC which is located outside India from accounting principles generally accepted in that country to accounting

**HEAD OFFICE :** 101, Solaris One, Near East West Flyover, N. S. Phadke Marg, Andheri (E), Mumbai 400069

**BRANCHES :** • Ahmedabad • Delhi • Dombivli • Marine Lines

principles generally accepted in India. The Other Auditor have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the reports of Other Auditor and the conversion adjustments prepared by the management of the Company and audited by Other Auditor.

4. The Company's management has converted the financial information of one wholly owned subsidiary located outside India i.e. Gem Aromatics FZ LLC as at and for the period ended June 13, 2024 (i.e. the date of liquidation) from accounting principles generally accepted in that country to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the conversion adjustments prepared by the management of the Company and audited by us.

Our opinion on the consolidated financial statements and our report on the other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the Other Auditor.

#### **Other Information**

5. The Holding Company's Management and Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Director's Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The Holding Company's Director's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 "The Auditors Responsibilities Relating to Other Information".

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

6. The Holding Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a

true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

### **Auditor's Responsibility**

7. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other companies included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **Report on Other Legal and Regulatory Requirements**

8. As required by section 143 (3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as appears from our examination of those books and report of other auditor except for the matter stated in the paragraph 8(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- The consolidated balance sheet, the consolidated statement of profit and loss and the consolidated cash flow statement dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- On the basis of written representations received from the directors of the Holding Company as on March 31, 2025 and taken on record by the Board of Directors of the Holding Company and the reports of statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.
- With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure I".

- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 8(b) above on reporting under Section 143(3)(b) of the Act and paragraph 8(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- i. The Group has disclosed impact of pending litigations which may have impact on its consolidated financial position in note no. 38 to Consolidated Financial Statements;
- ii. the Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. there were no amounts required to be transferred to the Investor Education and Protection Fund.
- iv. (a) The respective managements of the Parent and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The respective management of the Parent and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented, that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Parent or its subsidiaries from any person(s) or entity(ies), including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under i (iv) (a) and (b) above, contain any material mis-statement.

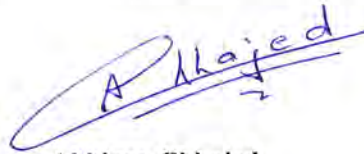

- v. The Group has neither declared nor paid any dividend during the year.
- vi. Based on our examination which included test checks, the Holding Company and its subsidiary company incorporated in India have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except at the database level to log any direct data changes to the accounting software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Additionally, the audit trail has been preserved by the Holding Company and its subsidiary company incorporated in India as per the statutory requirements for record retention.

9. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure II" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

**Annexure I to the Independent Auditors' Report**  
**(Referred to in our report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

1. We have audited the internal financial controls over financial reporting of **Gem Aromatics Limited** (formerly known as Gem Aromatics Private Limited) ("the Holding Company"), as at March 31, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Control over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

4. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
  - provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
  - provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

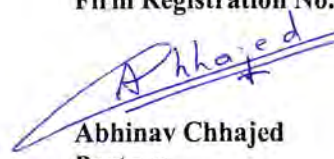

5. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

6. In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Control over Financial Reporting issued by the ICAI.

**CONSOLIDATED STATEMENT OF CASH FLOWS FOR THE YEAR ENDED MARCH 31, 2025**

(Amounts in ₹ million unless stated otherwise)

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
<b>(A) Cashflows from operating activities</b>		
Profit before tax	747.15	675.73
<b>Adjustment for:</b>		
Depreciation and amortisation charge	67.61	56.99
Amortisation of right-of-use assets	5.81	5.64
Interest on lease liabilities	0.63	0.91
Foreign exchange (gain) / loss (net)	8.18	(1.06)
Finance costs	80.03	58.40
Interest income	(7.26)	(7.67)
Sundry balances written back	(1.05)	(0.52)
Unrealised fair value (gain) / loss on forward contracts (net)	(0.01)	(8.34)
(Profit) / loss on sale of property, plant and equipment (net)	(0.83)	0.04
<b>Operating cash flow before working capital changes</b>	<b>900.26</b>	<b>780.12</b>
<b>Adjustment for changes in working capital:</b>		
(Increase) / Decrease in inventories	83.59	(319.71)
(Increase) / Decrease in trade receivables	(964.82)	344.12
(Increase) / Decrease in other assets	(35.05)	(231.31)
Increase / (Decrease) in trade payables	43.20	(22.30)
Increase / (Decrease) in other liabilities	(21.16)	7.71
<b>Cash generated from operations</b>	<b>6.02</b>	<b>558.63</b>
Taxes paid (net of refunds)	(255.18)	(157.42)
<b>Net cashflows from operating activities</b>	<b>(249.16)</b>	<b>401.21</b>
<b>(B) Cashflows from investing activities</b>		
Purchase of property, plant and equipment and other intangible assets	(1,050.89)	(391.42)
Sale of property, plant and equipment*	1.74	0.00
Bank deposit (placed) / matured	116.52	(126.75)
Interest received	7.26	7.67
<b>Net cashflows from investing activities</b>	<b>(925.37)</b>	<b>(510.50)</b>
<b>(C) Cashflows from financing activities</b>		
Proceeds from / (Repayment of) current borrowings(net)	661.08	(20.96)
Proceeds from non-current borrowings	526.76	238.37
Repayment of non-current borrowings	(79.90)	(1.28)
Interest paid	(75.53)	(56.89)
Payment of lease liabilities (Refer note 27)	(6.03)	(5.64)
<b>Net cashflows from financing activities</b>	<b>1,026.38</b>	<b>153.60</b>
<b>Net (decrease)/increase in cash and cash equivalents (A+B+C)</b>	<b>(148.15)</b>	<b>44.31</b>
Cash and cash equivalents at the beginning of the year	158.84	105.83
Effect of exchange rate changes	0.62	8.70
<b>Cash and cash equivalents at the end of the year</b>	<b>11.31</b>	<b>158.84</b>
<b>Cash and cash equivalents comprise of:</b>		
Cash on hand	0.82	0.25
Balance with banks:		
In current accounts	10.49	2.73
In cash credit account	-	100.86
In deposit account with original maturity of 3 months or less	-	55.00
<b>Total cash and cash equivalents</b>	<b>11.31</b>	<b>158.84</b>

\* Amount shown as 0.00 is less than 0.01

## GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025

#### (1) Corporate information

Gem Aromatics Limited (formerly known as Gem Aromatics Private Limited) is a Public Limited Company w.e.f August 17, 2023 incorporated in India under the provisions of the erstwhile Companies Act, 1956. The registered office of the company is situated in the state of Maharashtra. The Company manufactures essential oil based products and derivatives in India while specializing in products that are derived from mint, clove, eucalyptus and other essential oils which finds application across broad spectrum of end user industries. It carries on manufacturing operations at the plants located at Silvassa, Dadra & Nagar Haveli and Badaun, Uttar Pradesh.

The Consolidated Financial Statements are prepared for the company and its subsidiaries together referred to as the "Group".

Name of the Subsidiary	Country of Incorporation	Shareholding for the year	Nature of operations
Gem Aromatics LLC	United States of America	100%	The Company is primarily engaged in the business of general trading of essential oils and aroma chemicals.
Krystal Ingredients Private Limited	India	100%	The Company is in the business of manufacturing of natural identical / synthetic products, including those with application in the Flavour & Fragrance industry, and specialty chemicals.
Gem Aromatics FZ LLC #	United Arab Emirates	100%	The Company is primarily engaged in the business of General Trading.

# Subsidiary Upto June 13, 2024.

#### (2) Material accounting policies

##### (2.01) Statement of compliance

These Consolidated Financial Statements of the Group comprising the balance sheet as at March 31, 2025, statement of profit and loss (including other comprehensive income), statement of changes in equity, and cash flow statement for the year ended March 31, 2025, and a summary of material accounting policies and other explanatory information have been prepared by the Group in accordance with the Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) ("Ind AS") under Section 133 of the Companies Act, 2013 (the 'Act'), presentation requirements of Division II of Schedule III of the Act and other relevant provisions of the Act.

##### (2.02) Basis of preparation and Presentation

###### Basis of Presentation

The Consolidated Financial Statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments) and employee's defined benefit plan as per actuarial valuation.

###### Functional and Presentation Currency

The Consolidated financial statements are presented in Indian Rupees, which is the functional currency of the Group and the currency of the primary economic environment in which the Group operates. All amounts have been rounded off to two decimals to the nearest million, unless otherwise stated.

###### Basis of Consolidation

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses.

Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions, are eliminated. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

##### (2.03) Significant accounting estimates, judgements and assumptions

The preparation of the Consolidated financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the consolidated financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognized in the year in which the estimates are revised and in any future year affected.

In the process of applying the Group's accounting policies, management has made the following judgements which have Material effect on the amounts Recognized in the Consolidated financial statements:

**a. Useful lives of property, plant and equipment and intangible assets :** Determination of the estimated useful life of tangible assets and intangible assets and the assessment as to which components of the cost may be capitalized. Useful life of tangible assets is based on the life specified in Schedule II of the Companies Act, 2013 and also as per management estimate for certain category of assets. Assumption also need to be made, when group assesses, whether as asset may be capitalized and which components of the cost of the assets may be capitalized.

**b. Contingencies :** Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigation against group as it is not possible to predict the outcome of pending matters with accuracy.

**c. Fair value measurements and valuation processes :** Some of the Group's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Group used market-observable data to the extent it is available. Where Level 1 inputs are not available, the Group engaged third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements such as Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

**d. Estimation of defined benefit plans :** The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.

**e. Impairment of property, plant and equipment and intangible assets :** At each balance sheet date the Group assesses whether there is any indication of impairment of the carrying amount for each class of the property, plant and equipment, intangible assets and investments. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

**f. Operating lease commitments - Group as lessee :** The Group has entered into lease agreement for office premises and establishments. The Group has determined based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the asset and the fair value of the asset, that it retains all the Material risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

## GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025

#### (2.04) Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The group has identified twelve months as its operating cycle.

#### (2.05) Property, plant and equipment

All items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost includes its purchase price including non-refundable taxes and duties, borrowing costs and directly attributable costs of bringing the asset to its present location and condition.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of profit and loss during the reporting period in which they are incurred.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in line with revisions to accounting estimates.

#### Depreciation

Depreciation on property, plant and equipment is provided on 'Written Down Value' (WDV) method, which is in line with the estimated useful life as specified in Schedule II of the Companies Act, 2013.

Depreciation commences when the assets are ready for their intended use. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing net disposal proceeds with carrying amount. These are included in the Consolidated Statement of profit and loss.

The estimated useful lives are as follows :

Assets	Useful life (years)
Land (Freehold)	-
Building	3 to 30
Plant and Machinery	15
Furnitures and Fixtures	10
Electric Installation	10
Lab Equipments	10
Vehicles	8 to 10
Factory/Office Equipment	5
Computers	3 to 6

#### (2.06) Intangible Assets

Intangible assets with finite useful life are stated at cost of acquisition, less accumulated depreciation/ amortisation and impairment loss, if any. Cost includes taxes, duties and other incidental expenses related to acquisition and other incidental expenses. Amortisation is recognised in profit or loss on a diminishing balance method over the estimated useful lives of respective intangible assets.

The estimated useful lives are as follows :

Assets	Useful life (years)
Computer Software	3

Intangible assets are amortised in profit or loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

## GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025

#### (2.07) Impairment of property, plant and equipment and intangible assets

At each balance sheet date the Group assesses whether there is any indication of impairment of the carrying amount for each class of the property, plant and equipment, intangible assets and investments. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

#### (2.08) Fair value measurement

The Group measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is Material to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is Material to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is Material to the fair value measurement is unobservable.

For financial assets and liabilities maturing within one year from the balance sheet date and which are not carried at fair value, the carrying amount approximates fair value due to short term maturity of these instruments.

The Group recognises the transfer between the levels of fair value hierarchy at the end of the reporting period during which the changes have occurred.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarize accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Quantitative disclosures of fair value measurement hierarchy (Note 30)
- Financial instruments (including those carried at amortised cost) (Note 30)

#### (2.09) Revenue

Revenue from contracts with customers is recognised on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Group is expected to be entitled to in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation.

##### **Sale of products :**

Revenue from sale of products is recognised when the control of the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

##### **Rendering of services:**

Revenue from services is recognised over time by measuring progress towards satisfaction of performance obligation for the services rendered.

##### **Other income:**

Revenue in respect of overdue interest, insurance claims, etc. is recognised to the extent the Group is reasonably certain of its ultimate realisation.

##### **Interest / Dividend income:**

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive is established. Interest from customers on delayed payments are recognised when there is a certainty of realisation.

##### **Export Incentive / Duty drawback :**

Export incentives are recognised when there is reasonable assurance that the Group will comply with the conditions and the incentive will be received.

#### (2.10) Inventories

Inventories are valued at the lower of cost (including purchase cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition) and estimated net realisable value, after providing for obsolescence, where appropriate. Raw materials, packing materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished products will exceed their net realisable value.

Raw materials, packing materials and stores and spares are valued at cost computed on weighted average basis. The cost includes purchase price, inward freight and other incidental expenses net of refundable duties, levies and taxes, where applicable.

Finished goods produced and work-in-progress are carried at lower of net realisable value and cost (including purchase cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition), computed on a weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

## GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025

#### (2.11) Taxes

Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Income tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Income tax assets and Income tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

##### Deferred Tax

Deferred tax is recognised using balance sheet approach at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured using the tax rates that are expected to apply in a year when asset is realised or the liability is expected to be settled based on the tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing Income tax where the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

##### Current and deferred tax for the period

Current and deferred tax are recognised in the statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

#### (2.12) Foreign Currency translation

##### Functional and Presentation currency

Items included in the Consolidated financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Consolidated financial statements are presented in Indian rupee (INR), which is functional and presentation currency of the Group.

##### Transaction and balances

Transactions in foreign currencies are initially recognised in the Consolidated financial statements using exchange rates prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated to the functional currency at the exchange rates prevailing at the reporting date and foreign exchange gain or loss are recognised in the Statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

#### (2.13) Provisions and Contingent Liabilities

##### Provisions:

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

##### Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. The Group does not recognise a contingent liability but discloses its existence in the financial statements.

#### (2.14) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

##### Financial assets

##### Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a Material financing component, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are attributable to the acquisition of financial asset. Trade receivables that do not contain a Material financing component are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section 2.09 for Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

## GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025

#### (2.14) Financial Instruments (continued)

##### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- Financial assets at amortised cost
- Financial assets at fair value through profit or loss
- Financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition

A 'financial asset' is measured at amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. The Group's financial assets at amortised cost includes loans and other financial assets.

A 'financial asset' is measured at FVOCI if both the following conditions are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the statement of profit and loss when the right of payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss. This category includes investments in mutual funds. Dividends on such investments are recognised in the statement of profit and loss when the right of payment has been established.

##### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from a Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset and either
  - (a) the Group has transferred substantially all the risks and rewards of the asset,
  - (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

##### Impairment of financial assets

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired, if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

##### Financial liabilities

##### Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

##### Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

##### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

##### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

##### Derivative financial instruments

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated.

Forward contracts are used to hedge forecast transactions, the Group generally designates only the change in fair value of the forward contract related to the spot component as the hedging instrument. Gains or losses relating to the effective portion of the change in the spot component of the forward contracts are recognized in other comprehensive income in cash flow hedging reserve within equity. In some cases, the entity may designate the full change in fair value of the forward contract (including forward points) as the hedging instrument. In such cases, the gains and losses relating to the effective portion of the change in fair value of the entire forward contract are recognized in the cash flow hedging reserve within equity.

## GEM AROMATICS LIMITED

(Formerly known as Gem Aromatics Private Limited)

CIN: U24246MH1997PLC111057

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025

#### (2.15) Leases

The Group's lease asset class consist of leases for office premises and establishments. The Group assesses whether a contract contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Group has the right to direct the use of the asset.

##### **The Group as a lessee**

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the lease term.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment as to whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Group does not have any lease contracts wherein it acts as a lessor.

#### (2.16) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise of cash balances at banks, cash on hand and demand deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an inMaterial risk of changes in value.

In the cash flow statement, cash and cash equivalents includes cash on hand, cash at bank, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

#### (2.17) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Group's earnings per share is the net profit for the year after deducting any attributable tax thereto for the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

#### (2.18) Borrowing costs

Borrowing costs include finance costs calculated using the effective interest method.

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

#### (2.19) Segment Reporting

Based on "Management Approach" as defined in Ind AS 108 - Operating Segments, the chief operating decision maker i.e. Mr. Yash Parekh (Managing Director & CEO) evaluates the Group's performance and allocates the resources based on an analysis of various performance indicators by business segments. Inter segment sales and transfers are reflected at market prices. Unallocable items includes general corporate income and expense items which are not allocated to any business segment.

##### Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

#### (2.20) Recent accounting pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendment to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Group has reviewed the new pronouncements based on its evaluation has determined that it does not have any significant impact in its consolidated financial statements.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025**

**(12) Equity share capital (Continued)**

**(d) Rights, preferences and restrictions attached to equity shares**

The Company has one class of equity shares having a par value of ₹ 2 per share w.e.f July 14, 2023. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

(e) Except as stated in note under 12 (a) there were no shares allotted pursuant to contract without payment being received in cash or as fully paid up by way of bonus shares or any shares bought back.

(f) There are no unpaid calls from any director or officer.

(g) No dividend was declared by the Group during the year ended March 31, 2025

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025****(27) Leases****Operating lease****Group as lessee**

The Group has entered into cancellable leasing arrangement in respect of office premises and establishments.

**Ind AS 116 - Lease liabilities**

(Amounts in ₹ million unless stated otherwise)

Particulars	As at March 31, 2025	As at March 31, 2024
Non-current	20.70	2.85
Current	4.11	4.90
<b>Total</b>	<b>24.81</b>	<b>7.75</b>

**(i) Movement in lease liabilities:**

(Amounts in ₹ million unless stated otherwise)

Particulars	As at March 31, 2025	As at March 31, 2024
Opening balance	7.75	8.39
Add: Addition made during the year	22.46	4.09
Add: Finance cost accrued during the year	0.63	0.91
Less: Payment of lease liabilities	(6.03)	(5.64)
<b>Closing balance</b>	<b>24.81</b>	<b>7.75</b>

**(ii) The contractual maturities of lease liabilities are as under on undiscounted basis:**

(Amounts in ₹ million unless stated otherwise)

Particulars	As at March 31, 2025	As at March 31, 2024
Payable within one year	1.42	5.15
Payable later than one year and not later than five years	24.85	3.18

**(iii)**

Lease payments recognised for short term leases in consolidated statement of profit and loss	0.84	1.14
--	------	------

The Group does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025**

**(28) Employee benefits**

**(a) Defined contribution plan**

The Group has a defined contribution plan in respect of provident fund. Contributions are made to provident fund in India for employees as per regulations. The contributions are made to registered provident fund administered by the Government of India. The obligation of the Group is limited to the amount contributed and it has neither further contractual nor any constructive obligation.

(Amounts in ₹ million unless stated otherwise)

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Employer's contribution to provident fund	2.91	2.42

Included in 'Contribution to provident fund & other funds' under employee benefits expense (Refer Note 23)

**(b) Defined benefit plans**

**Gratuity:**

The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is an unfunded plan and the Group makes contribution to recognised funds in India.

**Actuarial Assumptions**

Particulars	March 31, 2025	March 31, 2024
Discount rate	6.75%	7.20%
Future salary increases	5.00%	5.00%
Expected return on plan assets	6.90%	6.50%
Attrition rate	10.00%	10.00%
Mortality rate	(IALM 2012-14) Ult	IALM 2012-14(Ult)

**Notes:**

- Discount rate: The discount rate is based on the prevailing market yields of Indian Government securities for the estimated term of the obligations.
- Salary escalation rate: The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

**The amounts recognised in the balance sheet and movements in the net defined benefit obligation (DBO) over the year are as follows :**

(Amounts in ₹ million unless stated otherwise)

Change in the present value of obligation	Year ended March 31, 2025	Year ended March 31, 2024
<b>Present value of net obligation at the beginning of the year</b>	<b>0.96</b>	<b>0.98</b>
Net interest	0.35	0.31
Current service cost	1.06	1.00
Past service cost	-	-
Benefits paid	-	-
Contribution to plan assets	(1.50)	(0.51)
Return on plan assets	(0.28)	(0.25)
<b>Remeasurement due to</b>		
- Actuarial (loss)/gain arising from change in financial assumptions	0.27	(0.58)
- Actuarial (loss)/gain arising on account of experience changes	(0.10)	-
- Actuarial (loss)/gain arising on account of demographical assumptions	-	-
<b>Present value of obligation at the end of the year</b>	<b>0.76</b>	<b>0.96</b>

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025**

**(28) Employee benefits (Continued)**

**(b) Defined benefit plans (Continued)**

(Amounts in ₹ million unless stated otherwise)

Amount recognised in the statement of profit and loss	Year ended March 31, 2025	Year ended March 31, 2024
Current service cost	1.06	1.00
Net interest	0.07	0.06
<b>Total expense recognised in the statement of profit and loss</b>	<b>1.13</b>	<b>1.06</b>

Amount recognised in the other comprehensive income	Year ended March 31, 2025	Year ended March 31, 2024
Actuarial (loss)/gain arising from change in financial assumptions	0.25	0.62
Actuarial (loss)/gain arising on account of demographical assumptions	-	-
Actuarial (loss)/gain arising from experience over past period	(0.10)	-
Return on plan assets, excluding amount included in net interest on net defined benefit liability/(assets)	0.02	(0.04)
<b>Total Amount recognised in other comprehensive income</b>	<b>0.17</b>	<b>0.58</b>

**(c) Sensitivity of the defined benefit obligation to changes in weighted principal assumptions is:**

Particulars	March 31, 2025	March 31, 2024
Discount rate (Increases 1%)	(0.36)	(0.24)
Discount rate (Decreases 1%)	0.40	0.27
Salary increase rate (Increases 1%)	0.33	0.28
Salary increase rate (Decreases 1%)	(0.29)	(0.25)
Withdrawal Rate (Increases 1%)	0.02	0.01
Withdrawal Rate (Decreases 1%)	(0.03)	(0.01)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice it is unlikely to occur, and changes in some of the assumptions may be correlated. The methods and types of assumption used in preparing the sensitivity analysis did not change compared to previous year.

The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and settlement occurs in cash.

The Company has given corporate guarantee towards the loans availed by its Subsidiary from financial institutions, details of the same are disclosed under note 32.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025**

**(30) Fair value measurement**

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities if the carrying amount is a reasonable approximation of fair value those include cash and cash equivalents, other bank balances, trade receivables and trade payables.

**(a) Financial instruments by category**

(Amounts in ₹ million unless stated otherwise)

At fair value through profit and loss	Level	As at March 31, 2025	As at March 31, 2024
<b>Assets</b>			
Derivative asset - forward contract receivable	2	0.41	0.40
<b>Total Assets</b>		<b>0.41</b>	<b>0.40</b>
<b>Liabilities</b>			
Derivative liabilities - forward contract payables	2	-	-
<b>Total Liabilities</b>		<b>-</b>	<b>-</b>

- (Amounts in ₹ million unless stated otherwise)

At amortised cost	As at March 31, 2025	As at March 31, 2024
<b>Assets</b>		
Trade receivables	1,409.94	453.30
Cash and cash equivalents	11.31	158.84
Bank balances other than cash and cash equivalents	10.23	4.75
Loans	1.01	0.34
Other financial assets	28.52	146.46
<b>Total Assets</b>	<b>1,461.01</b>	<b>763.69</b>
<b>Liabilities</b>		
Borrowings	2,223.69	1,111.25
Lease liabilities	24.82	7.75
Trade payables	232.32	189.12
Other financial liabilities	10.16	5.95
<b>Total Liabilities</b>	<b>2,490.99</b>	<b>1,314.07</b>

Note: Carrying amounts of cash and cash equivalents, other bank balances, trade receivables, other financial assets, borrowings, other financial liabilities and trade payables as at March 31, 2025 approximate their fair value due to their short-term nature. Difference between carrying amounts and fair values of other financial assets and other financial liabilities subsequently measured at amortised cost is not significant in each of the years presented.

**(31) Financial risk management framework**

The Parent company's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board is responsible for developing and monitoring the Group's risk management policies. The Board holds regular meetings on its activities.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Parent company's Board oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group.

**a). Credit risk**

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers.

**Trade and other Receivables**

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which Group operates and other macro-economic factors.

Credit quality of a customer is assessed based on its credit worthiness and historical dealings with the Group, market intelligence and goodwill. Outstanding customer receivables are regularly monitored. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables and other receivables.

**Cash and cash equivalents and other bank balances**

The Group held cash and cash equivalents and other bank balances of ₹ 21.64 million as at March 31, 2025 (March 31, 2024 - ₹ 291.24 million). The credit worthiness of banks and financial institutions is evaluated by management on an ongoing basis and is considered to be good.

**Other financial assets**

Other financial assets measured at amortised cost includes deposits and capital advances for immovable properties etc. Credit risk related to these financial assets are managed by monitoring the recoveries of such amounts on regular basis and the Group does not perceive any credit risk related to these financial assets.

Other than trade and other receivables, the Group has no other financial assets that are past due but not impaired.

**b). Liquidity risk**

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. The Group has access to unused credit facility at the year ended March 31, 2025 amounting to ₹ 850.87 million (March 31, 2024 - ₹ 1,774.32 million) towards working capital needs as and when required.

**Maturities of financial liabilities**

The below table analyses the Group's financial liabilities into relevant maturity based on their contractual maturities. The amounts disclosed in the table are contractual undiscounted cash flows.

(Amounts in ₹ million unless stated otherwise)

Particulars	Carrying amount	Undiscounted amount	
		<12months	≥12months
<b>March 31, 2025</b>			
<b>Non Derivative financial instruments</b>			
Borrowings	2,223.69	1,536.90	686.79

**GEM AROMATICS LIMITED***(Formerly known as Gem Aromatics Private Limited)*

CIN: U24246MH1997PLC111057

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025****(31) Financial risk management framework (Continued)****(c). Market risk**

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – that will affect the Group income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Group is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currency.

**(i). Currency risk**

The Group is exposed to currency risk on account of foreign currency transactions including recognised assets and liabilities denominated in a currency that is not the Group's functional currency (₹), primarily in respect of United States Dollar. The Group ensures that the net exposure is kept to an acceptable level.

**Exposure to currency risk**

The Group's exposure to foreign currency risk at the end of the reporting year expressed in INR, are as follows:

**As at March 31, 2025**

(Amounts in ₹ million unless stated otherwise)

Particulars	USD converted to INR	YUAN converted to INR
<b>Financial assets</b>		
Trade Receivables	814.41	-
<b>Net exposure to foreign currency (assets)</b>	<b>814.41</b>	<b>-</b>
<b>Financial liabilities</b>		
Trade Payables	6.89	-
Borrowings	-	-
<b>Net exposure to foreign currency (liabilities)</b>	<b>6.89</b>	<b>-</b>
<b>Net exposure to foreign currency</b>	<b>807.52</b>	<b>-</b>

**As at March 31, 2024**

(Amounts in ₹ million unless stated otherwise)

Particulars	USD converted to INR	YUAN converted to INR
<b>Financial assets</b>		
Trade Receivables	267.70	20.03
<b>Net exposure to foreign currency (assets)</b>	<b>267.70</b>	<b>20.03</b>
<b>Financial liabilities</b>		
Trade Payables	5.22	-
Borrowings	-	-
<b>Net exposure to foreign currency (liabilities)</b>	<b>5.22</b>	<b>-</b>
<b>Net exposure to foreign currency</b>	<b>262.48</b>	<b>20.03</b>

**Sensitivity analysis**

A reasonably possible strengthening (weakening) of the Indian Rupee against all other currencies would have affected the measurement of financial instruments denominated in a foreign currency profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

(Amounts in ₹ million unless stated otherwise)

Particulars	Impact on Profit After Tax & Equity	
	March 31, 2025	March 31, 2024

	USD	INR	YUAN	INR
Forward contracts (fair valuation through profit and loss)	10.23	857.05	1.50	18.18
<b>Total</b>	<b>10.23</b>	<b>857.05</b>	<b>1.50</b>	<b>18.18</b>

Following table summarises approximate gain / (loss) on the Group's other comprehensive income on account of appreciation / depreciation of the underlying currencies:

(Amounts in ₹ million unless stated otherwise)

Particulars	Impact on Profit After Tax	
	March 31, 2025	March 31, 2024
USD		
- Increase by 5%	25.28	32.07
- Decrease by 5%	(25.28)	(32.07)
YUAN		
- Increase by 5%	-	0.68
- Decrease by 5%	-	(0.68)

**(ii). Interest rate risk**

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

**Exposure to interest rate risk**

The Group exposure to interest rate risks relates primarily to the Group interest obligations on its borrowings. Borrowings taken at variable rates are exposed to fair value interest rate risk. The Group carries excellent credit ratings, due to which it has assessed that there are no material interest rate risk and any exposure thereof.

**(iii). Capital risk management**

The Group aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders. The capital structure of the Group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Group's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business.

The Group monitors its capital by using gearing ratio, which is net debt divided to total equity. Net debt includes borrowings net of cash and bank balances and total equity comprises of equity share capital, general reserve, securities premium, other comprehensive income and retained earnings.

(Amounts in ₹ million unless stated otherwise)
