DIVIDEND DISTRIBUTION POLICY

The Board of Directors (the "Board") of Gem Aromatics Limited (formerly known as Gem Aromatics Private Limited) (the "Company") at its meeting held on 22/09/2023 has adopted this Dividend Distribution Policy (the "Policy") and modified Policy has been adopted at its meeting held on 22/09/2023 as required by Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and shall become effective from the date of its adoption by the Board.

I. Objective of the Policy:

The objective of this Policy is to establish the parameters to be considered before declaring or recommending dividend by the Board of Directors of the Company and to regulate the process of dividend declaration and its pay-out by the Company which would ensure the right balance between the quantum of Dividend paid and amounts of profits retained in the business for the various purposes.

The Company would endeavor to pay sustainable dividend keeping in view the Company's policy of meeting the long-term growth objectives from internal cash accruals.

II. Philosophy

The philosophy of the Company is to maximize the shareholders' wealth in the Company through various means. The Company believes that driving growth creates maximum shareholder value. Thus, the Company would first utilize its profits for working capital requirements, capital expenditure to meet expansion needs, reducing debt from its books of accounts, earmarking reserves for inorganic growth opportunities and thereafter distributing the surplus profits in the form of dividend to the shareholders.

III. Regulatory Framework:

Regulation 43A of Listing Regulations requires top one thousand listed companies on market capitalization (calculated as on March 31 of every financial year) to formulate a Dividend Distribution Policy.

Adhering to best corporate governance practice and to comply with provisions of the Listing Regulations as and when it becomes applicable, Gem Aromatics Limited frames this policy.

IV. Category of Dividends:

The Board of Directors shall have the power to recommend final dividend to the equity shareholders for their approval in the Annual General Meeting of the Company. Subject to compliance with the provisions of Companies Act, 2013 including the Rules made thereunder and other relevant regulations as applicable from time to time, if any, the Board of Directors shall also have the absolute power to declare interim dividend during any financial year out of the surplus in the profit and loss account and out of profits of the financial year in which such interim dividend is sought to be declared, as and when they consider it fit in compliance with Companies Act, 2013 and other relevant regulations as applicable from time to time.

V. Parameters to be Considered before Recommending Dividend

The Board of Directors of the Company shall consider the following financial / internal parameters while declaring or recommending dividend to shareholders:

- Distributable surplus available as per the Companies Act, 2013 and Listing Regulations.
- Profits earned during the financial year
- Retained Earnings
- Earnings outlook
- Present and future capital expenditure plans/working capital requirements of the Company.
- Past Dividend Trends
- Any other relevant factors and material events as may be deemed fit by the board

The Board of Directors of the Company shall consider the following external parameters while declaring or recommending dividend to shareholders:

- Dividend pay-out ratios of Companies in the same industry.
- Macro-economic environment – Significant changes in macro-economic environment materially affecting the businesses in which the Company is engaged in the geographies in which the Company operates;
- Regulatory changes – Introduction of new regulatory requirements or material changes in existing taxation or regulatory requirements, which significantly affect the businesses in which the Company is engaged;
- Technological changes – Development in technology which necessitate significant new investments in any of the businesses in which the Company is engaged;
- Capital Markets – Dividend pay-out may depend upon the capital market environment and cost of capital to raise fresh funds through alternate resources;
- Taxation Policy – The tax policy of a country also influences the dividend policy of a company. The rate of tax directly influences the amount of profits available to the company for declaring dividends.
